The Power of Prayer

It doesn't matter what age you are, what your marital status is, what the condition of your body and soul, or how long you have been a believer - if you are a woman, this book is for you.

Stormie has been a devoted follower of the Lord for more than 43 years. Like many of you she has found that her life can be difficult rather than easy, complex rather than simple. Often, she finds life to be like a strong, hot dry wind than a soft, cool, refreshing breeze.

In the midst of our busy lives, Stormie believes that we don't pray enough. Or we only pray about the most pressing issues and neglect to take the time to really get close to God, to know Him better, and to share with Him the deepest longings of our heart. In our pray and run existence, we shut off the very avenue by which He brings blessings into our lives.

In this book you will learn to pray about every aspect of our life in such a manner that it will keep you spiritually anchored and reminded of what God's promises are to us. It will keep us focused on who God is and who He made us to be.

So, join us we begin our study in May 2017. Watch our church bulletin for more information!

The Serenity Prayer

God grant me the serenity
to accept the things I cannot change;
courage to change the things I can;
and wisdom to know the difference.
Living one day at a time;
Enjoying one moment at a time;
Accepting hardships as the pathway to peace;
Taking, as He did, this sinful world
as it is, not as I would have it;
Trusting that He will make all things right
if I surrender to His Will;
That I may be reasonably happy in this life
and supremely happy with Him
Forever in the next.

Amen.
